

Commercial License

Pisto Casero's fonts

You are free to:

- Install this font in a maximum of 5 computers*.
- Use this font in any and as many commercial projects as you would like.
- Modify the font and generate a new version of the font, (if you do that, you should let the rest of the people to generate their own versions of the new version you've generated as well).

You can never:

- Sell this font.

* This document is the EULA (End User License Agreement) for all the fonts published by Pisto Casero and it applies to individual workers (such as freelances) and small companies. There is a different license available if you are a larger company and you need to install this font in a larger number of computers than 5. Please contact me for further details at: contact@pistocasero.com

If I'm able to keep creating new fonts, it is thanks to your support. Thank you very much for purchasing my fonts.

Pisto Casero.
